

# Aurora INTERIOR

by  **WIPARE, INC.**

# UTILITY, SAFETY, & FIRST-CLASS COMFORT

Once only known as a rugged, utility aircraft, the Cessna Caravan series can also be a first class executive aircraft. With an Aurora interior by Wipaire you can have all the comforts of a business jet. From the luxurious feel of supple leather to spacious seating arrangements, your passengers will feel pampered from the moment they step onto your Caravan. Whether conducting a business meeting en route to their destination or getting a head start on their relaxing vacation, your passengers will find the extra amenities indispensable.
