

TWIN OTTER EXECUTIVE INTERIOR

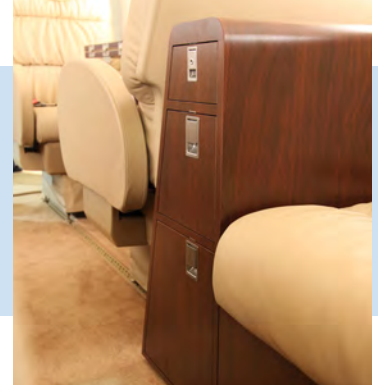

UTILITY, SAFETY, & FIRST-CLASS COMFORT

Once only known as a rugged, utility aircraft, the Twin Otter can now be known as a first class executive aircraft. With a Wipaire® Executive Interior you can have all the comforts of a business jet. From the luxurious feel of supple leather to spacious seating arrangements, your passengers will feel pampered from the moment they step onto your Twin Otter. Whether conducting a business meeting en route to their destination or getting a head start on their relaxing vacation, your passengers will find the extra amenities to be a necessity.

The Wipaire Executive Interior for the Twin Otter is available in many configurations to fit your needs and desires. We will work with you to arrange the interior to have the most advantages for you. All Wipaire Executive Interiors feature top-grain leather seats, decorative lower sidewall fabric and a transitional sidewall trim with veneer accent. Rich, wood veneer cabinets, with optional high-gloss finish, beverage storage centers, pilot gear, carry-on luggage and more.
